

**AMENDMENT TO COMMITTEE PRINT**  
**OFFERED BY MR. GONZALEZ OF TEXAS**

In title XVI, after section 1611, insert:

1   **SEC. 1612. REPORT ON ENERGY INTEGRATION WITH LATIN**  
2                   **AMERICA.**

3           The Secretary of Energy shall submit an annual re-  
4 port to the Committee on Energy and Commerce of the  
5 United States House of Representatives and to the Com-  
6 mittee on Energy and Natural Resources of the United  
7 States Senate concerning the status of energy export de-  
8 velopment in Latin America and efforts by the Secretary  
9 and other departments and agencies of the United States  
10 to promote energy integration with Latin America. The  
11 report shall contain a detailed analysis of the status of  
12 energy export development in Mexico and a description of  
13 all significant efforts by the Secretary and other depart-  
14 ments and agencies to promote a constructive relationship  
15 with Mexico regarding the development of that nation's  
16 energy capacity. In particular this report shall outline ef-  
17 forts the Secretary and other departments and agencies  
18 have made to ensure that regulatory approval and over-  
19 sight of United States/Mexico border projects that result  
20 in the expansion of Mexican energy capacity are effectively

1 coordinated across departments and with the Mexican gov-  
2 ernment.
